

Puzzle Proficiency Test

WHAT LEVEL PUZZLER DO YOU HAVE?

Let's find out what kind of puzzle master we're working with.

Use the video to follow along and see what kind of **"PUZZLER"** your pup is. By the end we'll know if we're working with a(n) *shy beginner*, *beginner*, *intermediate* or *expert* puzzler. Remember to keep it **POSITIVE** and set your dog up for the **WIN!** This is their first time trying to solve a brain teaser, keep your expectations reasonable. Be sure to read through all the potential checks and watch through the video at least once before you begin testing your dog. STOP test when indicated to do so below.

BEGIN TEST: CHECK ALL THAT APPLY

A	B	C	D
<input type="checkbox"/> Dog shows fear, moves away from bucket. <i>if you check this box STOP TEST switch to toilet paper tube</i>	<input type="checkbox"/> Dog shows little to no interest in the bucket	<input type="checkbox"/> Dog shows some interest in the bucket	<input type="checkbox"/> Dog shows extreme interest in the bucket
<input type="checkbox"/> Dog tucks tail or sits and looks at you	<input type="checkbox"/> Dog sits in front of bucket and looks at you	<input type="checkbox"/> Dog attempts to paw or muzzle at bucket	<input type="checkbox"/> Dog attempts to paw or muzzle at bucket
<input type="checkbox"/> Dog shows little interest in toilet paper tube but is sniffing it	<input type="checkbox"/> Dog shows no interest in treat that is peaking out from the bucket. Sits and looks at you <i>if you check this box STOP TEST switch to toilet paper tube</i>	<input type="checkbox"/> Dog seems unconfident and walks away from bucket but comes back to sit and look at you.	<input type="checkbox"/> Dog begins using both muzzle and paw to attempt to tip over bucket
<input type="checkbox"/> Dog loses interest in toilet paper tube standing alone	<input type="checkbox"/> Dog shows interest in toilet paper tube	<input type="checkbox"/> Dog quickly goes after treat on edge of bucket	<input type="checkbox"/> Dog is determined to flip buckets, will not let up trying to retrieve treat
<input type="checkbox"/> Dog eats treat only when it is peaking out from under toilet paper tube	<input type="checkbox"/> Dog knocks toilet paper tube over and eats the treat hidden inside	<input type="checkbox"/> Dog gets treat or knocks over bucket when treat is on the edge	<input type="checkbox"/> Dog gets the bucket off and retrieves treat

Add em up!

If you checked four or more boxes in **column A** your dog is a *shy beginner*.
 If you checked four or more boxes in **column B** your dog is a *beginner*.
 If you checked four or more boxes in **column C** your dog is an *intermediate*.
 If you checked four or more boxes in **column D** your dog is a *expert*.
